OneBridge Announces Strategic Referral Partnership with Share One Card Processor Broadens Reach in the Credit Union Market

INDIANAPOLIS (September 2, 2009) - OneBridge, a credit and debit card processor for financial institutions nationwide, announced today that it has signed a strategic referral agreement with Share One out of Memphis, TN. Under the terms of the non-exclusive agreement, Share One will recommend OneBridge's Gateway Credit Card, Signature & PIN Debit Card and ATM services to Share One's NewSolutions clients.

"This agreement strengthens and formalizes a relationship that dates back to 2007," said Jim Kern, OneBridge President. "Share One has a powerful core product and a strong commitment to client service that matches up well with our high-touch delivery and support approach. OneBridge currently provides card services to a number of Share One clients, and we appreciate this opportunity to introduce our best-of-breed solutions and personalized service to other Share One institutions."

"We're excited to offer OneBridge's complete suite of card-related solutions to our clients," said Daryl Tanner, Share One President/CEO. "OneBridge has a proven track record with Share One clients. By leveraging the combined power of NewSolutions and OneBridge, our shared clients have successfully improved operational efficiency and increased revenues."

About OneBridge

OneBridge provides financial institutions nationwide with comprehensive card processing solutions to help them maximize the value of their in-house credit, debit and ATM programs. With dynamic authorization options, effective risk management, competitive rewards programs, and an anywhere, anytime back-office interface, OneBridge is focused on helping institutions gain control of their card programs.

OneBridge, a privately owned corporation founded in 1994, is headquartered in Indianapolis. *One* signifies a single, trusted source of knowledge, and *Bridge* represents connections and opportunities.
